

# Speech Therapist

Karachi Down Syndrome Program

A company set up under section 42 of the Companies Ordinance, 1984.

## Responsibilities:

- Planning for developmentally appropriate, customized sessions.
- Conducting regular scheduled sessions for children with Down syndrome.
- Preparation of speech and language goals and learning outcomes and designing and modifying therapy plans as and when needed.
- Administering assessments of speech & language development, as necessary for revisions, re-evaluation and measurement.
- Maintaining daily logs on therapy progress and planning further therapy.
- Responding & attending to child and/or parents/caregivers questions and comments.
- Using consistent and proactive behavior modification/management techniques.
- Responding to situations in appropriate, fair, and consistent ways, while taking advice and assistance from the supervisor/head of department.
- Communicating plans, goals, methods and directions clearly & accurately to parents/caregivers.
- Providing brief home plans/assignments to promote generalization of skills, strategies taught during therapy sessions.
- Giving parents/caregivers clear, accurate, specific, meaningful, and timely feedback to enhance their child's speech & language development.
- Writing and delivering reports to parents/caregivers when needed.
- Preparing and sharing evaluation reports of children in therapy cyclically, or when requested by program leads.
- Counseling children, parents/caregivers and/or families on how to cope with communication disorders and other interrelated issue areas.
- Any other task as assigned by the management.

## Requirements:

- Bachelor's Degree (Speech Language/Audiology) from an HEC recognized institution.
- Minimum 01 year of relevant work experience is preferred.
- Excellent written and verbal communication skills.
- Strong organizing skills.
- Excellent with networking/building relationships with the people.
- Must be an excellent observer and problem solver.
- Must have the ability to think outside the box and work under pressure.
- Must have compassion and patience.
