KARACHI DOWN SYNDROME PROGRAM (KDSP)

SHARIAH CERTIFICATE

PREAMBLE

The Karachi Down Syndrome Program (KDSP) is a non-profit organization that was established in March 2014 by a group of concerned parents and passionate individuals. KDSP was formed with the goal to advocate the value, acceptance and inclusion of children/people with Down syndrome living in Karachi and to provide them with the opportunity to lead independent and fulfilling lives.

MISSION STATEMENT

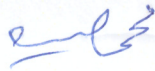

The mission of the Karachi Down Syndrome Program is to be the foremost organization for information, networking, and advocacy for and about Down syndrome, by children/people with Down syndrome and their families, educators, health care professionals, and the community at large. KDSP operates in 6 core areas: Early Childhood Intervention, Healthcare, Education, Skills Development, Family Support and Awareness

ZAKAT AND DONATIONS

The financial needs of the organization are being covered through acceptance of Zakat and Donations that will greatly help in providing services to deserving individuals with Down syndrome. As Zakat is the 3rd (and very important) Pillar of Islam hence requires Shariah conditions for collection and disbursement.

To ensure that the entire process is Shariah-compliant, both in letter and spirit, KDSP has got multiple FATWAs on different occasions to collect and spend Zakat funds according to the principles of Islam as defined in Shariah.

After reviewing the existing operations and accounting books, It is confirmed that the ZAKAT and DONATIONS are properly utilized in the organization based on the Islamic Shariah methods. May Allah (SWT) grant the management of KDSP the best reward for their efforts and MAY give their mission more blessings and prosperity to serve the community.
